## Proposed Constitution Revision

The Executive Committee of the Texas Music Adjudicators Association has placed the following proposed constitution revision on the agenda of the annual General Business Meeting of TMAA which will be held during the TMEA convention from 3:30-4:30 p.m. on Wednesday, February 11, 2015 in the San Antonio Convention Center Ballroom C1. A vote on the revision will be taken during the meeting.

Rationale for the revision involves a strengthening of TMAA membership criteria. The Executive Committee believes that candidates for membership should exhibit abilities and skills in leading sight reading as well as in concert. Presently, candidates must have earned at least three Division I ratings in concert. If approved, this revision will call for candidates to have earned at least three Sweepstakes Awards within the most recent five year period. Marching Band members will not be effected by this revision.
